**Theme:** *Truth of Eternal Treasure*

**Reflect Together:** What impacted you the most from Sunday's message, and how were you able to apply this week's Spiritual Practice?

**Read Together:** Matthew 13:44

**Discuss Together:**

- What are earthly gems we try to store up? What does Jesus say happens to them?
- What are we to store up?
- Where is our true treasure according to verse 21? How so?
- How is Jesus our true treasure?
- What earthly treasure do you need to sell, and to further pursue what God has for you? What would you like prayer for to give up?

**Prayer Together:** Share needs in your group to pray for, as well as updates on what God has been doing.
