### Red Letter Living Goals:

- Starting - Develop a passionate relationship with Jesus that starts today.
- Praying - Desire and grow a stronger prayer life.
- Forgiving - Receive God's forgiveness in your life and give grace to others.
- Serving - Gain a greater desire to serve using the time, talent and treasures God has given us.
- Giving - Experience the pure joy of being generous.
- Sharing - Find greater confidence to speak about Jesus and what He has done in your life.

### Red Letter Living 40 Day Plan...

- **Read in Red** - Read, write and pray "Red" each day in the pages provided. Use the "SOAP" approach of Scripture, Observation, Application & Prayer to meditate on Jesus' words.
- **Pray & intercede** - Pray not only for yourself but also on behalf of others that God would bring an awakening and spiritual hunger to our community.
- **Fast and depend on the Lord** - Your choice, but the goal is growing hungry spiritually and learning to depend on God!
- **Gather & Engage** - Be in community and support one another in your small group.
- **Join & Interact** - Interact with others on the CTK North Bay Facebook page, using the hashtag #NBredletterliving
- **Invest & Invite** - Invite others to join you in the journey and this year's Easter experience!

## Study & Discussion for Your Next Small Group

**Theme:** Firm Foundation

**Share Together:** What is something you have built or a project you have been in charge of? What were the results and how do you feel about the experience?

**Reflect Together:** What impacted you the most from Sunday's message and from the Red Letter Living 40 Day Guide? How has this challenged you so far and is there something from one of your S.O.A.P. studies you would like to share, that could encourage the group?

**Read the Red Together:** Matthew 7:24-27

**Discuss Together:**

- How do you think building our lives upon the foundation of Jesus protect us in life's storms?
- What are the things that distract us from digging deeper and founding our lives upon bedrock?
- If you could identify one area of "shifting sand" in your life, what would it be?
- Why does the foolish builder build his house on sand?
- Which of the following storms of life do you think claim the most spiritual casualties: intellectual doubts, moral failures, relational conflict, personal crises, creeping apathy, any others you can think of?
- What is Jesus promising to those who live by His words?

**Pray Together** (or in smaller micro groups)
