
Small Group Conversation Guide

Warm-up: Share about a time you forgot about something important. What happened?

This Week's Message / Matthew 21:28-32 Two Big Questions (taken from PROAPT):

What is it saying about God?

What is it saying about me? Who? How? Why?

1. Here we have Jesus being confronted by the Pharisees and other religious leaders as he preaches in the temple. Jesus tells him this story to show teach them about obedience to God. What is Jesus revealing to the Pharisees through this story?
2. In the story, the first son says 'no' initially, but then changes his mind and does it. Why do you think he reconsidered?
3. Which groups of people does Jesus connect the first son to? Why would this be shocking to the Pharisees?
4. What do you notice about the second son's response in verse 30? What might this tell you about the dangers of the religious approach to obedience?
5. Do you relate to either son? Both? None?
6. Why can obeying God be so challenging? Are there things you are currently wrestling with God over?
7. Does this passage encourage or challenge you?

Prayer: How can we pray for each other this week?
