Small Group Conversation Guide

Warm-up: What is something out of the ordinary that you tend to worry about?

Message: Don't Panic // Read Matthew 24:1-14

Two Big Questions (taken from PROAPT):

- What is it saying about God?
- What is it saying about me? Who? How? Why?

1. In Matthew 24, Jesus describes to his disciples how the ways the world will unravel before the end when He returns. *After reading verses 1-14, what concerns most stick out to you?*
2. The disciples were initially amazed at the architecture of the temple. *How does Jesus address their 'tourist' mindset? What is this saying about the mindset we're supposed to have as His followers?*
3. Verse 6 Jesus says 'see that you are not alarmed'. Why can it be so easy to panic when adversity comes? How can we take courage when bad times hit?
4. Verses 10-12 describe the problems that the church will face. What strikes you about these verses and why?
5. The ultimate danger Jesus gives is that our love for God will grow cold. Why can it be so hard to maintain our passion for God? What can we do to 'stay hot'?
6. Next time you're tempted to panic, what resources do you have to help? Or put another way, what has God given you to help you endure difficult times?
7. Does this reading comfort or challenge you? What other questions or comments do you have?

Prayer: How can we pray for each other this week?
